

Doctoral INPhINIT Fellowships Programme INCOMING

Convocatoria 2023

POSITION

Project Title / Job Position Title

Area of knowledge *(choose one of them)*

1. Life Sciences Panel
2. Physical Sciences, Mathematics and Engineering Panel

Group of disciplines for Life Sciences Panel *(choose one of them)*

1. Medicine, Public health, Sports Science, Nutrition, Clinical Neuroscience and Clinical Psychology, healthcare management
2. Plant, animal and environmental biology, Physiology, ecology and conservation
3. Human Biology, Microbiology, mMolecular Biology, Genetics, Cell biology, genomics and proteomics
4. Agriculture, Veterinary studies, animal production, forest sciences
5. Biotechnology, bioinformatics, pharmaceuticals, food technology

Group of disciplines for Physical Sciences, Mathematics and Engineering Panel

(choose one of them)

1. Theoretical and applied mathematics, computer sciences and IT
2. Physics
3. Chemistry and chemical engineering
4. Geology, earth sciences, mining, geological engineering
5. Civil and construction engineering, energy, nuclear and renewable energy
6. Telecommunications, robotics, biomedical engineering
7. Industrial engineering, mechanics, nanotechnology
